Attachments: Now Available: Determination for the Lookout Slough Project Revised Certification of Consistency

Dear Parties to the Appeal of the Lookout Slough Project Certification of Consistency (Certification 202110),

Thank you for your participation in the Delta Stewardship Council meeting yesterday and continuous professional engagement throughout this process.

The Council has now posted a signed copy of the determination that was considered yesterday:

For DWR, LIA and SCWA, you will receive an automated notice from the covered actions portal momentarily. This notice is to reflect the change in status of the covered actions and appeals.

Thank you once again,

Dan
