## DELTA STEWARDSHIP COUNCIL

### DWR Finds Proposed North Delta Project Consistent with Delta Plan

FRIDAY 26 OCTOBER

#### **Grizzly Slough Floodplain Restoration Project And McCormack-Williamson Tract Restoration Project (North Delta Project) (C20186)**

The following certification of consistency with the [Delta Plan](#) for a covered action has been submitted to the Delta Stewardship Council (Council):

**Certification Number:** C20186

**Covered Action Title:** Grizzly Slough Floodplain Restoration Project And McCormack-Williamson Tract Restoration Project (North Delta Project)

**Certifying Agency:** Department of Water Resources (DWR)

**Certification Date:** 10/26/2018

The certification of consistency and any associated documents are now active and online for public viewing. [You may view the profile summary and download the PDF for review here.](#) For more information regarding the Delta Reform Act and the covered action process, please see the Council's [covered actions webpage](#).

#### **Notes Regarding Appeals:**

(1) Any person who claims that this covered action is inconsistent with the Delta Plan and, as a result of that inconsistency, that action will have a significant adverse impact on the achievement of one or both

of the coequal goals of the Delta Reform Act (Water Code § 85054) or implementation of government sponsored flood control programs to reduce risks to people and property in the Delta, may file an appeal with regard to this certification of consistency **no later than 30 calendar days** after the date of submittal of the certification of consistency. Please see the Council's [Administrative Procedures Governing Appeals document](#) for more information regarding the appeal process.

(2) If you anticipate filing an appeal, please review the documents submitted by the certifying agency at the [profile summary](#) and cite to those documents as part of your appeal. **DO NOT SUBMIT DUPLICATES OF DOCUMENTS SUBMITTED BY THE CERTIFYING AGENCY.**
